RESIDENTIAL TURNKEY SOLUTIONS

ENVIRONMENTAL
STONEWORKS

WE MAKE IT.
WE INSTALL IT.
WE SHIP IT.
WE GUARANTEE IT.

Environmental StoneWorks remains the only true national turnkey company that manufactures and installs stone veneer. Whether you're building a home with a full stone elevation, a home with simple, elegant stone accents, or a home with stone on the interior to add warmth and charm, we'll take care of everything from start to finish. That's our turnkey promise to make your job easier.

THE **ONLY** NATIONAL
MANUFACTURER AND INSTALLER
OF STONE VENEER, SO THERE IS
ONE POINT OF RESPONSIBILITY
FROM START TO FINISH.

100% ACCOUNTABILITY.
YES, IT STILL EXISTS.

Our One Point of Responsibility business model is what sets us apart. Builders benefit by having a dedicated Sales Leader and Project Manager available from beginning to end overseeing the entire job. With field support to improve communication and tested safety programs to reduce risks, we give you three times the attention of other companies.

TRUSTED INSTALLATION
DESIGNED TO TURN HEADS.

As the only national manufacturer and installer of masonry stone veneer, we offer you dedicated Sales Leaders, Project Managers and Crew Leads. What's more, we provide continuous education and training to our installation teams, to meet or exceed the industry standards. No wonder your clients trust Environmental StoneWorks with their investments.

NOTICE THE MISSING MARK-UP?

Our turnkey approach gives you more value in many ways. By purchasing the product and the installation service directly from Environmental StoneWorks, a link in the mark-up chain has been removed and Owners and General Contractors receive the best overall value.

YOUR VISION.
PERFECTLY EXECUTED.

As your only turnkey industry partner, we'll be your one point of responsibility from start to finish. You'll benefit by appreciating the complete turnkey solution from a dedicated Sales Team overseeing the entire process.

SAFETY IS
IN OUR DNA.

Building a culture of zero accidents is our bottom line, that's how we achieve Best in Class ratings. We take things like Job Safety Inspections (JSI) and mandatory Scaffolding Erecting and Dismantling Training seriously. OSHA onboarding, weekly Tool Box Talks, First Aid/CPR Training and requiring proper PPE, proves we leave no stone unturned when it comes to safety.

YOU WILL KNOW VALUE
WHEN YOU SEE IT.

On time and on budget, Environmental StoneWorks delivers. Because of our turnkey solution, we own everything from start to finish. Our Sales Leaders, Project Managers, Crew Leads and tools deliver the best value – hands down.

WHAT'S UNDER
THE ROOF?

When you partner with Environmental StoneWorks, you get it all.
The design, manufacture, installation and warranty of your stone veneer.
All under one roof.

YOUR ONE SOLUTION.
SINCE 1978.

Our “start-to-finish” philosophy has been impressing builders and homeowners for nearly four decades. During that time, we’ve learned to understand your needs far beyond that of any stand-alone manufacturer. With one point of responsibility, you can be assured that your stone will be properly installed. Our stone is regionally manufactured and installed by our trained craftsmen to meet or exceed every spec in the book.

TENURED EXPERIENCE
MEANS WE ARE ALL IN.

Our focus on details is legendary. For starters, we review all plans and specifications up front to get clarifications and share best practices on the front end. With over 40 years of industry leadership, our experienced project management team is here to help you build it right the first time. Experience = Accountability and you can count on us for both.

LOOK CLOSELY.
SEE THE QUALITY?

When it comes to crew competency, we set a very high bar. We evaluate our crews' dedication to safety, quality, installation and trade knowledge. We also perform over 500 Competent Crew Assessments each year. To maintain our stringent requirements, Environmental StoneWorks crew members are required to receive and maintain a grade "A" rating. Look closely and you can see why our work deserves such high grades.

IT'S ALL ABOUT
COMMUNICATION.

Information is power and nobody keeps you in the loop like Environmental StoneWorks does. From concept to completion, we are focused on detailed requirements, jobsite meetings, and sequencing. Everything from consulting to closeout. With our dedicated team, you will always know exactly where your project stands. If you ever have a question, just ask your dedicated project team. Our commitment is you.

MANUFACTURING + INSTALLATION = MORE VALUE

Environmental StoneWorks stone is manufactured and installed by our own trained craftsmen and meets or exceeds every spec in the book. You will have one point of responsibility from a company with over 40 years of experience of performing day in and day out. No wonder more general contractors, architects and builders trust us with their projects.

Start with quality. Have a look at our regional product selections from all over North America to meet your design needs at www.estoneworks.com.

Add the right people. From your dedicated Sales Leaders and Project Management team to a highly-trained and certified installation crew, your project will remain in extremely capable hands from start to finish.

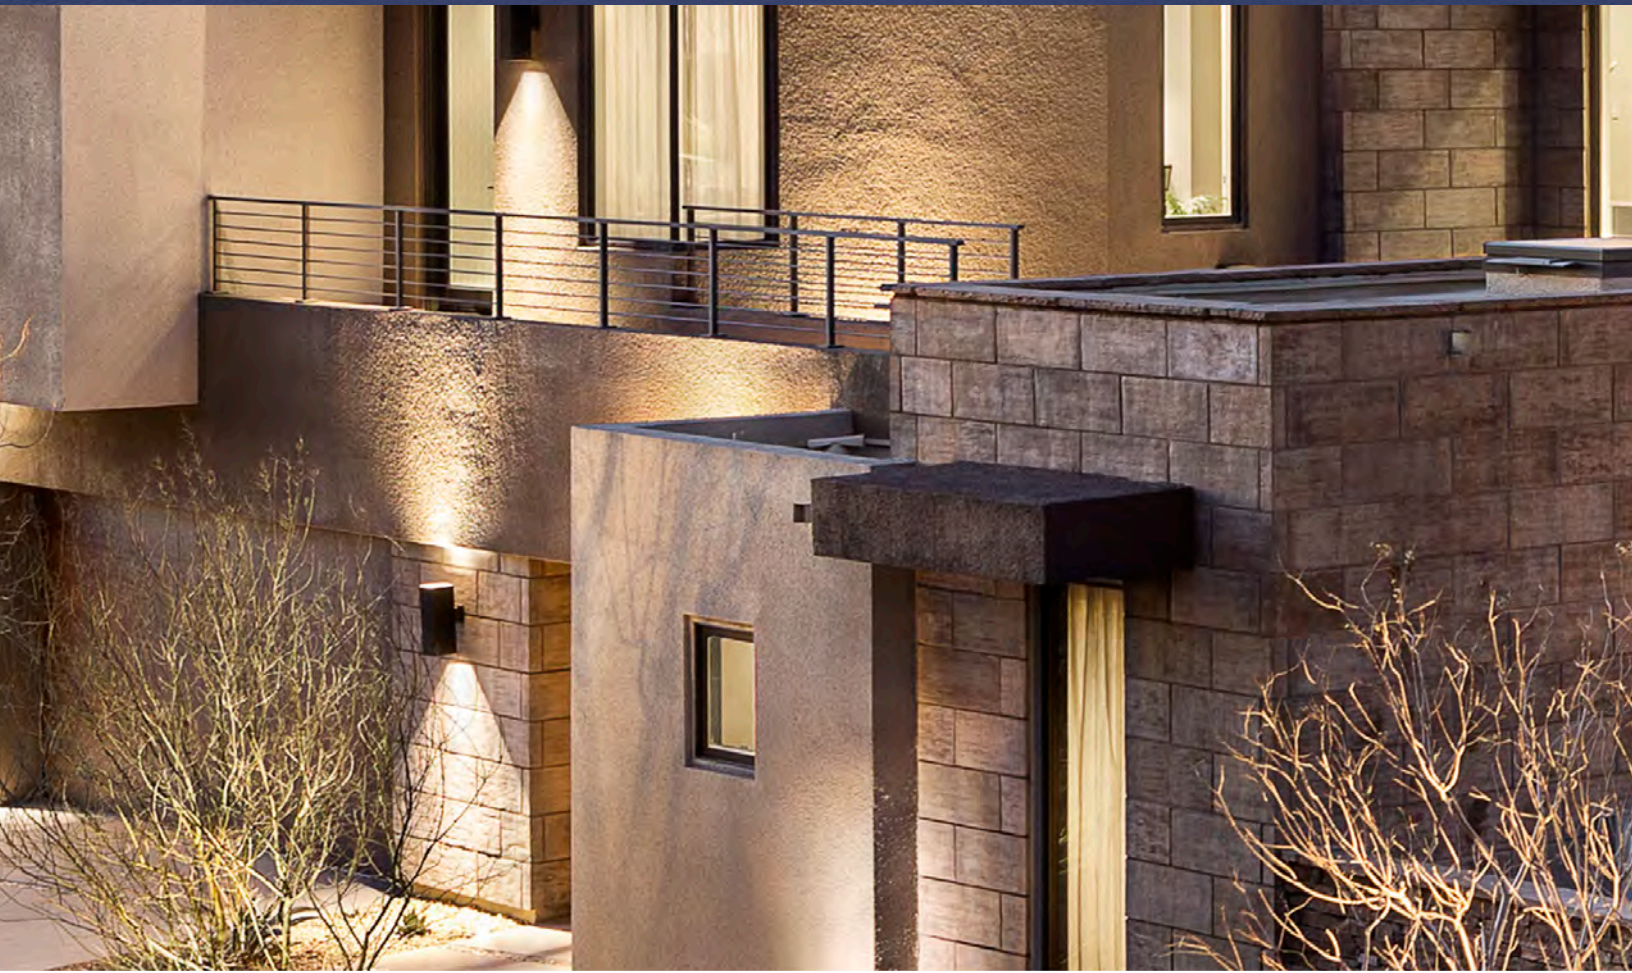

Communicate daily. Enjoy real-time reporting from our field support team so you are always kept in the loop. We are proud to offer the latest in communication technology.

Stay safe. Our safety programs are ground-breaking – and our safety record is exemplary. That's why safety is our bottom line.

Get more value. Because we install, you enjoy greater control throughout the project. We also provide the best product and installation warranties in the business.
